March 10, 1965 — Article 2. Meeting was called to order at 8 o'clock by the Moderator. Prayer was offered by Father Vachon. Moderator introduced the Selectmen and read the results of both Town and School Ballots, voted the previous day under Article 1. He appointed the following on the Finance Committee. Raymond Avery to replace Clarence Loud who resigned. Carolyn Christie, Diane Battles, Herbert M. Federhen, 3rd, Gerard Dolliver, Sr. (to expire in 1968)

It was moved as an amendment that the budget be taken up item by item and it was declared carried by voice vote, upon which by request of seven voters there was a division, the result being yes 65, no 44. Under consideration of the budget it was moved that fixed salary's remain the same as last year. Motion was lost. Motion to reduce Town Dump and Garbage to \$2,000 was lost 46 to 108. It was voted to increase Town Summer Maintenance to \$10,000. It was voted to reduce Town Poor from \$2,500 to \$1,500. It was voted to increase Memorial and Veterans Days from

\$200 to \$400. The budget having been considered it was voted to raise and appropriate the sum of \$273,-347 to defray Town Charges for the ensuing year.

Article 3. It was voted to authorize the Selectmen and Town Treasurer to borrow sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

Article 4. It was voted to authorize the Town to appropriate a sum not exceeding \$12,800 for the purpose of making improvements to the following Class V roads within the Town: Page Road and New Boston Road; such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, N. H. Revised Statutes Annotated, 1955, as amended by laws of 1957, Chapter 273:3 and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Kingston.

Article 5. Voted that the Town raise and appropriate the sum of \$417.15 and the State will contribute \$2,-781.03 for Class V Highways, under the provision of the T. R. A.

Article 6. Voted that the Town raise and appropriate the sum of \$418.00 as authorized by RSA 31:4, Para. XIX for the annual budget of the Seacoast Regional Development Association.

Article 7. Motion to publish the valuation of Resident and Non-Resident assessed valuation of Town

every five years was lost. Voted to pass over this Article and take up Article 8.

Article 8. Motion to accept this Article as read was lost. (Alma Ave.) Voted to return to Article 7.

Article 7. Under this Article the Moderator announced that this Article was not in order because a sum would have to be named and the reference to similar expenditure (every 5 years) was improper.

Article 9. Motion made that this Article pass as read. It was moved as an amendment that when this road is brought into condition to meet the approval of the Planning Board it shall be accepted. The amendment and Article was adopted.

Article 10. It was voted to adjust the Annual Salary of the Tax Collector to \$1,400 to compensate for the increase in work since the 1958 vote.

Article 11. Motion to accept and maintain the following streets in section known as Travis Cove, Rosemary Lane, Donna Ave. and James St. was not carried.

Article 12. Motion to authorize the Selectmen to appoint the Road Agent, and repeal the vote of the Town Meeting of 1932 making the selection of this officer by Australian ballot was not carried.

Article 13. Voted to authorize the Selectmen to sell tax deeded property at Public Auction.

Article 14. Voted to accept the Auditors Report and the Town Report with minor corrections.

Article 15. Motion to adjourn was not carried.

A resolution was passed to have a candidates night whereby the voters of Kingston may hear and understand the platforms of the various candidates for public office.

A resolution to appoint a Recreation Committee was passed. A resolution to look into the possibility of holding the School Meeting and Town Meeting together was lost.

A motion concerning a Planning Board Ruling on an Apt. House in South Kingston was offered by Mr. Kalman and the subject matter was declared out of order by the Moderator because such a question would require an Article in the warrant. Voted to adjourn.

L. Evelyn Bake, Town Clerk

TOWN WARRANT

Town Warrant for 1966

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Kingston on Tuesday, the Eighth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.
4. To see if the Town will vote to raise and appropriate the sum of three hundred and seventy-five dollars (\$375.00) for a two-way police radio (factory modernized rebuilt) for the second elected police officer.
5. To see if the Town will vote to raise and appro-

priate the sum of not more than fourteen hundred and fifty dollars (\$1450.00) to install a sound proof ceiling in the basement of the Town Hall, including lights, switches, etc.

6. To see if the Town will vote to adopt the Mobile-home Ordinance as proposed by the Planning Board.

7. To see if the Town will vote to establish a five (5) member Industrial Development Study Committee to be appointed by the Selectmen. The Committee to be charged with the responsibility of investigating and recommending the best method of encouraging desirable industrial growth to the next Town Meeting. In the course of their investigation the Committee is to confer with the Planning Board and all Regional State and Federal Agencies or Groups which are able to offer assistance.

8. To see if the Town will vote to establish a five (5) member Public Works Study Committee to be appointed by the Selectmen. The Committee to be charged with the responsibility of investigating and recommending the feasibility of the Town initiating a "702" Public Works Planning Study for Water and Sewer systems. In the course of their investigation the Committee is to confer with the Planning Board and all Regional, State and Federal Agencies or Groups which are able to offer assistance.

9. To see if the Town will vote to authorize the Selectmen to sell tax deeded property at public auction.

10. To see if the Town will vote to accept the Auditor's Report and the Town Report as printed.

11. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 12th day of February, in the year of our Lord nineteen hundred and sixty-six.

TRUSTEES OF TRUST FUNDS & CEMETERIES

Report of the Trustees of Trust Funds and Cemeteries for the Year 1965.

We are pleased to report six new Trust Funds set up during the year. One for \$300.00, two for \$200.00 and three for 150.00, to take permanent care of their cemetery plots. We also sold 1 double cemetery plot 20' x 23' and 5 single plots 20' x 10'.

In the Greenwood Cemetery we had 500' of heavy duty chain link fencing installed along the West Side.

In the Kingston Plains Cemetery we have in the last three years either straightened or reset most of the stones.

In the Pine Grove Cemetery we removed all the tree stumps in the new part of the property and reset head stones.

In the Mill Stream Cemetery we have installed two entrance gates, hung on antique strap hinges. The balance of the chain link fencing was installed to completely inclose the property. We have dug a well in the back corner, all ready for the pumps and piping, to be installed in the spring, also considerable work was done on the monuments and head stones.

This year we tried a new plan, on cemetery plots where adequate funds were available, we planted a bed of flowers in front of the respective monuments and kept them watered all summer, and in many cases we watered plants that were set out by others.

LIBRARIAN'S REPORT

Nichols Memorial Library is now open on Monday, Wednesday and Saturday, from 3 - 5 and 6 - 8, with Mrs. Gertrude Semple, Assistant Librarian, in charge on Mondays. Mrs. Semple attended the 1965 summer session of the Public Library Techniques at UNH, and is planning to take a second course there this summer.

A set of 1965 Collier Encyclopedias and a new dictionary stand have been purchased this year, and a telephone (642-3521) has been installed for the convenience of those who wish to renew books.

A collection of basic reference books, valued at \$125.00, was presented to the library as an affiliate of the new state-wide development system, with funds provided to the State Library under the Federal Library Service and Construction Act.

The books received from the "Shieling Fund" were divided among participating libraries in this group and will be available in individual libraries for patron use.

A copy of "Builders of New England" by the late Shirley Barker was purchased with the income from PINE TREE Grange Fund. Miss Barker was considered the leading New Hampshire novelist of post-World War II.

A complete file of Kingston Town Reports from 1856 through 1964 have been bound in hard-covers and are now on the shelves.

National Library Week was observed by an excellent exhibit on "Conservation" arranged by the Friends of the Library Group and two short films, "Baby Moose" and "Marsh Adventure" were shown to a group of young people by Mrs. Rachael Sanborn of the Exeter Branch Office.

The Friends of the Library have been working on a project of cleaning and re-lettering non-fiction books.

The Kingston Garden Club has provided flowers or plants at the library for every opening day during the past year and refilled the urns. The library was one of the buildings decorated by the Garden Club for their "Christmas in our Town" tour. Many people enjoyed this display during the holiday season.

We wish to express thanks and appreciation to the following who donated books during the year: Mrs. Elizabeth Bradley, Mrs. John Brown, Charles Collins, C. Russell Duston, Mrs. Halton Erne, Richard Harmon, Michael Kieran, Mrs. Kenneth Long, Mrs. Ira Meeks, Mrs. Charles Morse, Arthur Reynolds, Mrs. Leonard Sanborn, Mrs. Lawrence Stevens and the State of New Hampshire.

Respectfully submitted,

Gladys M. Marche, Librarian

*POLICE DEPARTMENT REPORT FOR 1965**IN MEMORIAN*

CHANDLER B. WEST

Kingston Police Officer

Born May 3, 1922

Died May 1, 1965

The Kingston Police Department was saddened during the year 1965 by the tragic death of one of our elected officers, Chandler B. West. He was a very conscientious officer and is missed by the department as well as the people of the Town of Kingston.

Fred H. Tewksbury, Jr., a special police officer for the town of Kingston for seven years was appointed a regular to replace Chandler West.

The two new officers, Andrew Christie, Jr. and Fred H. Tewksbury, Jr. have done a splendid job in coping with the various phases of police business throughout the year.

The department consists of an elected chief, two elected regular officers and fourteen specials including the police matron, Mrs. James Norris.

Again this year police duty for the summer season at the Kingston State Park was handled by the Kingston Police Department with the State of New Hampshire bearing the burden of expense.

The entire department donated their services for the New England Sled-dog competition, annual Fourth of July carnival, and various other events. All of the officers donated their services for the month of Dec.

Complaints answered by the Kingston Police Department were as follows:

Motor vehicle accidents

This year your Police Department worked a total of 2,043 hours and in the course of this time, they put 12,759 miles on their own personal vehicles.

Now I would like to express my appreciation to the Police Department, Rescue Squad and Fire Department, Town Officers, and the residents of the town of Kingston for the cooperation and understanding shown this department. As you all know the burdens of this department are becoming greater with each year and without the help of all concerned, the duties of the Police Department would be an insurmountable task.

Respectfully submitted,
Earl S. Carter, Chief

ANNUAL REPORT OF THE FIRE DEPARTMENT

The Fire Department responded to a total of 128 calls this past year. Thirty-four for town fires, six for out of town, and eighty-eight for the rescue wagon.

Two thermometer have been mounted on the front of the Fire House to show the amount of money that has been raised towards the truck fund and the building fund. This money has been raised from the carnival and through the efforts of the Fund Raising Committee from the Firemens Ass'n. and the Ladies Aux. We shall be working hard to increase these funds, and hope we will be able to reach our goal by 1969.

A map has been made listing all sources of available water both in the summer and winter. This includes ponds, wells, brooks and man made water holes. Thanks go out to Frank Fellows and Oral Collins who have devoted so much time to this project.

May I again remind you that the Fire Phone 642-5512 is for emergency only. Too many calls for information not pertinent to the Fire Department have been coming in on this phone. When seeking information the number to call is 642-3342, in that way the phone will not be tied up.

We wish to thank all committees and towns people who have donated their time or have given donations to the department.

Permits to install oil burners must be obtained from the Fire Chief and permits for outside fires from the Fire Wardens. These are required in accordance with the laws of the State of New Hampshire.

Respectfully submitted,
Alfred L. Moore, Fire Chief

REPORT OF THE HEALTH OFFICER

This report covers the period 1 January 1965 through 31 December 1965.

The Health Officer received 14 calls during the year. These calls were either generated by the Selectmen for investigation or individuals wanting investigations and/or information.

Listed below are the number and types of investigations and/or information calls that were received.

Two nuisance cases caused by accumulation of garbage, 7 calls looking for information concerning State Health Laws and/or Local Laws, *4 investigations into faulty sewer problems, and 1 case involving illegal dumping habits.

* Of these 4 cases one is still under investigation and will be continued in the Spring after the snow has disappeared and one case the State Board of Health was called in to investigate.

Due to the potential growth within the community and the various problems that might arise as it grows, it is recommended that a meeting be scheduled sometime after March to discuss health laws as they pertain to Kingston such as to determine if additional local laws should be initiated and to review laws presently on the books.

I further feel that there are places in town, where children are involved, that should be investigated. However, when you enter ones domicile you are infringing upon their rights unless a warrant is obtained and I think this should be a joint effort of the Health Officer and Board of Selectmen.

I would appreciate any comments or suggestions relative to the above recommendations.

David G. Conant,
Health Officer

REPORT OF THE PLANNING BOARD

The Kingston Planning Board for the year 1965-66 was made up of the following members:

Richard Senter	Term Expires 1966
Maurice Aiken	Term Expires 1967
David Gould	Term Expires 1968
Frank Chase	Term Expires 1969
Dwight Killam	Selectmen

Officers Elected By The Board Were:

Maurice Aiken, Chairman

David Gould, Secretary - Treasurer

Work on the comprehensive master plan continued during the past year. Reports covering the following subjects were received from Han Klunder Associates, our planning consultants:

Public Utilities and Transportation Consideration, Subsoil Condition and Land Capability, Building and Environmental Condition, Proposed Zoning Ordinance, Transportation Objectives and Plan, Suggested Subdivision Regulations, Land Use Plan and Considerations, Proposed Public Utilities, Proposed Capital Improvement Program, Public Lands and Buildings, and Proposed Mobilhome Park and Trailer Park Ordinance.

These reports were review and discussed in great detail by the Planning Board. The proposed Zoning Ordinance was completely rewritten three times and further amended as a result of a public hearing held on January 17, 1966. A second public hearing on the proposed Zoning Ordinance was held February 21, 1966. In September, 1965, the Planning Board, the planning consultant, and the Board of Selectmen met with representatives of the State Highway Department to review the consultant's report on Transportation. During the course of the meeting all state highways passing through Kingston and the routing of State Park traffic

was discussed. As a result of this meeting the State Highway Department has agreed to correct deficiencies at all intersections on new Route 125 and to consider rerouting of State Park traffic.

At the 1966 Town Meeting action will be taken on the Proposed Zoning Ordinance, Mobilhome Park and Trailer Park Ordinance and certain capital improvement projects.

During the year 1966-1967 the Planning Board will hold a series of Public Hearings to discuss the Comprehensive Master Plan and amendments to the Subdivision Regulations. The Master Plan will be submitted to the town for approval at the 1967 Town Meeting.

In March 1965 all known contractors building homes in Kingston were invited to meet with the Planning Board to discuss Subdivision Regulations and the Requirements for Construction of Roads and Streets. This meeting gave the contractors present a better understanding of these ordinances.

During the year the Board held public hearings on and approved three land subdivisions. Several other proposed subdivisions were considered. Referrals were made to the Board of Adjustment wherever required.

On October 27, 1965, the Board voted to recommend to the Board of Selectmen that the town accept Chisolm Road in accordance with the provisions of the Requirements for Construction of Roads and Streets. This action was taken as the result of the recommendation of the Town Engineer who stated that the developer had complied with these requirements and the action taken at the 1965 Town Meeting under Article 9 of the Warrant.

Respectfully submitted,
Maurice Aiken, Chairman
David Gould, Secretary

MINUTES OF SPECIAL MEETING

February 20, 1965

At a special meeting of the Inhabitants of the School District of the Town of Kingston qualified to vote in district affairs held in said Kingston in the Daniel J. Bakie School Auditorium on February 20, 1965, at 8 p.m., the following business was transacted:

The meeting was called to order at 8 p.m. by the Moderator, Leonard F. Sanborn. Prayer was offered by Rev. Robert Howard, Pastor of the First Congregational Church, Kingston.

The Moderator read the Warrant, introduced the School Board and the members of the Cooperative School Committee, and briefly explained the procedure for this meeting.

1. A motion was made by Richard W. Senter, and seconded by David G. Conant, that the school district accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district together with the school districts of Brentwood, Fremont, and Newton in accordance with the provisions of the proposed articles of agreement filed with the school district clerk.

After a discussion, the Moderator appointed the following tellers to assist with the secret ballot:

Robert Day, Roland Hogan, Jr., and Fred Haight

The Supervisors of the Check List: Lawrence Cheney, Harry Snow, and Alden Nason, checked off the voters. The polls were declared closed at 9:40 p.m. by the Moderator and the ballots were counted.

The Moderator announced the following results: Yes 126, No 94, Invalid 1, 221 total cast (97 women and 124 men).

There were 1006 ballots printed, less 221 cast, leaving 785 not used. A motion was made and passed to adjourn at 9:52 p.m.

Bettie C. Ouellette,
School Clerk

*REPORT OF THE SCHOOL DISTRICT CLERK FOR
THE KINGSTON SCHOOL DISTRICT*

March 6th and March 9th, 1965

At a meeting of the Inhabitants of the School District of the Town of Kingston, qualified to vote in district affairs, held in said Kingston in the Daniel J. Bakie School Auditorium on March 6, 1965, starting at 8 p.m., the following business was transacted:

The meeting was called to order at 8 p.m. by the Moderator, Leonard F. Sanborn. Prayer was offered by Rev. Robert L. Howard, pastor of the First Congregational Church, Kingston.

The Moderator introduced the School Board and School Clerk, and announced that the Superintendent was not present. There were no new voters present. The Moderator made two corrections on the figures printed in the Town Report. The Finance Committee, represented by Mr. Irving Johnson, reported favorably on each article as taken up.

Article 1. A motion was made and passed that the salaries of the School Board and School District Officers be set at \$740.00, apportioned as follows: School

Board Chairman \$200; School Board Clerk \$175; School Board Member \$150; School District Treasurer \$150; School District Clerk \$20; School District Moderator \$20; and School District Truant Officer \$25.

Article 2. A motion was made and passed that the Reports be accepted as printed with corrections.

The Moderator made some comments as a voter. He referred to the Report of the Superintendent and asked the School Board to request the Superintendent to give us a report that is a report and make a practice of attending our meetings if physically possible.

Mr. Sanborn also asked the Principal, Mr. Hodsdon, to explain the meaning of "complete curriculum guide" in his report, whereupon Mr. Hodsdon explained that when he came here, there was no written curriculum, and now there is a 150 page typewritten curriculum. This curriculum keeps, for example, the two first grade teachers together in their work. Then the teacher in the second grade picks it up and carries it right through and so on, through the eight grades.

George Harmon gave a verbal report for the Cooperative School Planning Committee. He reviewed the results of the February 20th Special Meeting, explaining that the proposition of a four town cooperative was turned down by the towns of Brentwood and Fremont. These two towns could have brought this issue to their voters within 90 days, but the two committees decided not to, and therefore, resigned from the group. The two towns of Newton and Kingston, with a problem, made arrangements to meet with the Sanborn Seminary Trustees. This meeting disclosed that although the Trustees did not want to sell to a Cooperative unless there were four towns, including Kingston, they agreed that they would allow the two towns to look into the feasibility of such a Cooperative. The

Planning Board is looking at every possible solution and will be meeting once a week until April 24th when they will present their plan to the Sanborn Seminary Trustees for their acceptance. The Planning Board is studying even a change in the program or hours or any solution that will insure a good education that can be paid for.

Mr. Hayes made a suggestion to the Planning Board that there should be a seminar type of discussion (one or more) which would be advantageous to all. This would give everyone a chance to be more familiar with the figures and the Board could make use of the thoughts of those present.

Mr. Harmon explained that an Open Meeting is being planned before April 24th. Previous to the February 20th meeting, there were at least five open meetings and two brochures were sent out. The Board will welcome any suggestions and will investigate same.

Article 3. A motion was made and passed that the District raise and appropriate \$277,611.00 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment of the statutory obligations of the District.

An amendment (moved by Mr. Ralph Southwick) that the budget be taken up item by item, was ruled "out of order" by the Moderator. He explained that the total could be amended, but the individual items could not be discussed that way.

Article 4. A resolution was made (by Mr. Robert Andersen) that the meeting request the School Board to publish the details of the Board expenditures, similar to 1961 report.

The Moderator requested that the Board print the

names of the teachers in the report and any other information relating thereto.

A resolution was made (by Mr. Robert Andersen) and NOT passed (standing vote Yes 14; No 30) that the meeting request that the School Board put the School Bus transportation out for bids in June. (The voice vote was questioned by seven persons — thus, the standing vote.)

The Moderator was assisted by Mr. Lawrence Cheney and Mr. Hayes, tellers.

The meeting was dissolved at 8:37 p.m.

Bettie C. Ouellette,
School Clerk

On Tuesday, March 9, 1965, there were 584 votes cast by secret ballots at the Kingston Town Hall. The polls opened at 10 a.m. and closed at 7 p.m. The ballots were counted by the following, appointed by the Moderator: William H. Friend, William S. Bartlett, Jr., George H. Harmon, Maurice S. Aiken and Mrs. Bettie Ouellette. The results were announced by the Moderator, as follows:

Article 1. Leonard F. Sanborn was elected Moderator for the coming year. (517 votes).

Article 2. Bettie C. Ouellette was elected Clerk for the ensuing year. (545 votes).

Article 3. David G. Conant was elected a Member of the School Board for the ensuing three years (248 votes). The other candidates were: Mrs. Barbara A. Norris, 140; George A. Thurlo, 71; Alfred J. Alberts, 104 write-in.

Article 4. Mrs. Gertrude W. Semple was elected Treasurer for the ensuing year. (519 votes).

Article 5. Irving Johnson (88 write-in votes) and Harry T. Snow (94 write-in votes) were elected Auditors for the coming year.

Article 6. A motion was made and passed that the meeting be adjourned at 9:25 p.m.)

Bettie C. Ouellette

The oaths of office were administered to all officers elected.

SPECIAL MEETING

June 29, 1965

At a special meeting of the School District of Kingston, held in said Kingston at the Daniel J. Bakie School on June 29, 1965, at 8 p.m., the following business was transacted:

The meeting was called to order at 8 p.m. by the Moderator, Leonard F. Sanborn.

A motion was made by William H. Friend and seconded by Maurice S. Aiken, that the school district accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the school district of Newton, in accordance with the provisions of the proposed articles of agreement filed with the school district clerk.

As there was no discussion or question, the secret ballot (yes and no) was taken. Tellers appointed were Gordon Bakie and Walter Clark. The Supervisors of the Check List (Alden Nason and Lawrence Cheney) checked off the voters on the official check list.

The polls were closed, ballots counted and the following results were announced by the Moderator:

Yes 72, No 13, total cast 85 votes. The article was passed.

George Harmon, Chairman of the Cooperative School Committee, made a few remarks relative to the work of the committee and reported the reason for this meeting was a July 1st deadline to report back to Sanborn Seminary. He thanked those present for their vote of confidence.

Robert Wight asked that a vote of thanks be given the Cooperative School Committee (George Harmon, Richard Senter and David Conant) for the terrific, hard and long job. The voters unanimously approved.

The meeting was adjourned at 8:30 p.m.

Bettie C. Ouellette,
School Clerk

SUPERINTENDENT'S REPORT

In my previous annual messages to you, it has been my intent to call your attention to the major educational issues confronting you at the time, including certain recommendations on these issues. As you may recall, my first report dealt mainly with the seven-room addition to Bakie School, while my last two drew special attention to the various co-operative arrangements in the area. Apparently, this type of report has not satisfied everyone; however, it has seemed to me rather unnecessary to duplicate information found elsewhere in this booklet i.e., Principal's Report, School Nurse's Report, Budget Data, Hot Lunch Report, School Calendar, Statistical Data, Enrollment Figures, etc. Therefore, I suggest that you review carefully all of these various areas discussed in this booklet in order to obtain a complete picture of your school's progress.

This school year has progressed exceptionally well. Our staff replacements are working out very nicely and our veteran teachers continue to do an excellent job. The separation of grade one into three divisions early in September, greatly improved our primary program. Each division now contains approximately twenty-two pupils and according to our latest census figures, it should be some time before a fourth first-grade teacher will be needed. However, another second-grade teacher will be needed next year and so on as this large group advances. Our transportation arrangement remains satisfactory and the new equipment purchased for the kitchen is second to none.

Commencing in September, many major changes will be taking place. Among these will be the re-organization of educational control, re-scheduling of the entire transportation system, undertaking a completely new housing arrangement, conducting classes while major

construction is in progress, and many others. This process of revision will no doubt give rise to various problems, problems which may not be easily solved. Your continued consideration and understanding will be invaluable to your new school board and administrators in dealing with such difficult situations. If, however, you do become impatient and have occasion to question any procedure, please call your school officials immediately. Very often, misunderstandings and subsequent serious conflicts can be avoided by a simple phone call or brief visit to the school.

This report would be incomplete without a few words relative to the new National Elementary and Secondary School Education Act of 1965 (ESEA). This act was the first major legislation of national significance to be enacted by the 89th Congress. Keyed to "poverty" ESA has five major provisions in it.

Title I provides funds to school districts for special programs designed to meet the needs of educationally deprived children in attendance areas with high concentration of low-income families. The amount of grant is based on the number of school age children (5-17) in low-income families in the school district as reported in the 1960 census. Kingston is entitled to receive as much as \$2,495.28 towards the support of an approved project providing, of course, the school district votes to authorize the school board to accept such aid. If this is done, the Newton, Kingston, and Fremont school officials plan to sponsor a joint "Improvement in Reading" program. This program will be held at Bakie School as this seems to be most centralized.

Title II authorizes distribution of \$100 million to the states for acquisition of library resources, including textbooks and audio-visual materials. This title establishes the Supervisory Union as the acting agent rather than the district as in Title I. Our Union 14

was allotted \$6,075.00 and on December 15, 1965, we submitted a proposal to spend the entire amount in order to establish an audio-visual center in the Union with its possible location at Sanborn Seminary.

Title III provides another \$100 million for grants to local school districts for the establishment of supplementary educational centers. An extremely wide range of activities may be authorized under this title. The terms, however, require that the school authorities must cooperate with other educational and cultural interests in the community in working our projects.

Title IV provides money for regional educational research and training facilities. Grants will be awarded to institutions of higher education and the non-profit agencies to undertake programs which will benefit public schools.

Title V makes available \$25 million to strengthen State Departments of Education.

In summary then, the titles which seem to apply most directly to Kingston are Titles I and II. It is with these that your school board and local school administrators will be primarily concerned.

I wish now to thank all those who have contributed in any way to making this, my fourth year in Kingston, such a memorable one. A special thanks to Mr. William Friend who has faithfully served on your school board for the past six years.

REPORT OF THE PRINCIPAL

The past five years have been exciting ones for the Kingston School District and Daniel J. Bakie School. The changing curriculum, the growing population, and the fact that the Sanborn Regional School District will be a reality as of July 1st, makes it appropriate to discuss the past five years briefly.

First, I would like to point out the population growth and staff changes that have taken place as well as the size of each graduating class during this period.

1961, enrollment 311, number of teachers 11; 1962, enrollment 315, number of teachers 12; 1963, enrollment 337, number of teachers 15; 1964, enrollment 375, number of teachers 15; 1965, enrollment 421, number of teachers 17.

As we approach the closing months as the Kingston

School District, I can honestly and sincerely say that the District has accomplished a great deal in education and has been most conscious of the progress needed to offer a well rounded education. A job well done!

The children of Kingston have much to be thankful for in the educational facilities available to them. It is through hours of planning, discussing, figuring and research that education is improved, and I am very sure that because of the hours of discussion and planning presently taking place, the children of Kingston and Newton will see education continue to improve and better prepare them for the future.

“Education is like rowing upstream; not to advance is to drop back.”

REPORT OF THE SCHOOL NURSE

To the Superintendent, School Board and Citizens of Kingston:

Health services have two major aims: health maintenance and health improvement. Here at Bakie School we are all working towards these aims and 1965 has brought the promise of many new and better things to come for our children in health services as well as in education.

School health services cover a wide area. To it belong the functions described below:

1. The prevention and correction of physical defects.

All the children received routine checks on height and weight. Vision and hearing tests were done on our new machines that were very generously bought for us by the Kingston Lions Club and the Salvation Army. Any hearing or sight defects were found and reported to the parents to be taken care of.

2. Securing the immunization of children.

In the spring, a series of child health conferences were held at Bakie School with Dr. Tucker of Exeter in attendance. Diptheria, Tetanus and Whooping Cough immunization shots and boosters were available free of charge as were pre-school vaccinations and boosters. Sabin oral polio vaccine was also given at this time and in order to reach a larger group of children, we included the Sanborn Seminary students as well as the Bakie School students and pre-schoolers.

3. Daily observation of children for signs of communicable disease and any other adverse condition which may arise.

Because we have teachers who are interested in the well being of the children, any sign of a health problem is reported to the nurse.

4. Handling emergency illnesses and accidents.

First aid is given at school when it is necessary. The parents are contacted and provisions are made to see that each emergency, large or small, is efficiently taken care of.

5. Health education that will lead to desirable health behavior.

Health education is stressed by the use of movies, pamphlets and discussion groups. The health aspect of education is tied in with the daily teaching and is related to all phases of school and home life.

6. Promoting the physical, mental and emotional health of the school child.

This is done and I hope will be done to a greater extent next year in connection with a guidance program. A few students have been referred to Child Guidance Clinics, others to other clinics and some have been helped by just knowing that someone really cared what happened to them.

The excellent school lunch program, with its well planned and nutritious meals, fitted in successfully with the classroom's teaching program on good eating habits and nutrition.

Although we have made some steps in the right direction, I am sorry to say that very little is being done for the emotionally disturbed or mentally retarded child. We, at Bakie School, are hoping that with the new Regional School next year some type of facility will be available for special classes for these children.

At this time, I wish to thank the organizations and individuals especially the Kingston Lions Club and the Salvation Army for their unselfish and very generous donations of time and money without which we would never be able to carry out our health program.

Respectfully submitted,
Shirley Townsend, R. N.
